

TCTC Group

The **CLINICAL TRIAL Company Ltd.** will be attending 3rd Annual Gene Therapy for Rare Disorders Conference, taking place at The Westin Boston Waterfront, Boston MA during the 16th-28th March 2019.

Gene Therapy for Rare Disorders focuses exclusively on overcoming the late-stage commercial challenges drug developers' face when delivering gene therapies to market. Incorporating insights from 68 industry-leading speakers, this conference delves into the key regulatory, reimbursement, clinical and manufacturing hurdles that need to be overcome to realize the commercial potential of gene therapies.

The CLINICAL TRIAL Company™ is delighted to be participating in the event, joining leading organizations in building new connections, collaborations and partnerships. Meet our team and learn more about TCTC's wide range of services from our experienced team.

TCTC Group™ is a privately owned full-service clinical research provider specialized in bringing products with unique clinical, medical and regulatory complexities to market. In addition to offering full-service clinical trial solutions, the group includes independent divisions specialized in quality assurance, medical writing and regulatory affairs, project and site management, staffing and training services. TCTC Group™ are experts in advanced therapies and successfully executed clinical trials for the first Gene therapy to be approved in the Western world. The group also has a CNS-dedicated clinical development team conducting trials in the most complex neurological and psychiatric conditions.

The TCTC team is available to discuss your requirements and will be pleased to assist you with getting your product to market in the most cost-effective and time-efficient manner.

Notes for Editors:

About The CLINICAL TRIAL Company™ Group:
